

Marketing & Media Apprentice Job Spec

We are on the search for an enthusiastic and eager apprentice to join our growing team in a growing industry whilst studying a level 3 apprenticeship.

You will be working with a team but will be required to work alone on projects at times.

Basic knowledge of social media and marketing will be required as you will learn the likes of:

- Social media management
- Email marketing
- Google analytics
- Traditional marketing and digital marketing
- Content creation
- Sales campaigns
- Data reporting
- Partner and sponsorships

This would suit someone who is confident and enthusiastic with great communication skills and the drive to learn and develop skills.

Requirements

- GCSE Grade A-C (or equivalent) in Maths and English.
- Great communication and written skills.
- Experience in a creative subject would be an advantage.

This role will include

- Working away at events (including weekends) from Wednesday to Sunday evenings.
- No two days are the same.
- Required to work to deadlines, meaning having to work late.

Reference ID: RHL - Marketing

Expected start date: ASAP

Job Types: Full-time, Apprenticeship

COVID-19 considerations: New offices and COVID-19 Policies in place
